

# Off Leash Area: Dedication & Opening Grandview Park

3600 S. 228th St., SeaTac

Saturday, October 4, 2003 🐕 10:00 a.m.

Dignitaries from the partnering cities, King County and SODA will attend the dedication ceremony. The public is welcome to attend the dedication, enjoy refreshments and walk through the park with their dogs.

For further information regarding the dedication and opening of the first regional south King County off leash area, please call 206.973.4670.

## About the Project

At last, dogs and their owners have their own designated off leash area in south King County. Through the cooperative efforts of King County, Serve Our Dog Area (SODA) and the cities of SeaTac, Auburn, Burien, Des Moines, Federal Way, Kent, Renton and Tukwila the first regional south King County off leash area will be dedicated and opened for public use on Saturday, October 4, 2003 at 10:00 a.m.

The new off leash area is located at Grandview Park a 37-acre facility located in the City of SeaTac at South 228th Street and Military Road South. The park offers beautiful views of Mount Rainier and the Green River valley with easy access from I-5, Pacific Highway South and State Route 516. Amenities at the off leash area include fencing, trails, open areas, benches, kiosk, sani-cans and waste receptacles. The off leash area is open from dawn to dusk daily.

The park was refurbished for use as an off leash facility through the joint efforts of the south King County cities, SODA members and volunteer groups from Boeing Company, Key Bank, LDS Church Ward #1 and local Boy Scout Troops. The off leash area will be operated and maintained by SODA volunteers. Each partnering city provided development funds as well as labor and equipment.
